RE: Cause No. 2:23-cv-00805, and Response to
J.P. Morgan Chase Bank, N.A.'s Notice of Removal and
Motion to Enforce Referral to Bankruptcy Court

Dear Judge King:

This evening at 9:00 PM on June 28, 2023, I received a Notice in our mailbox that I twice failed to certify word counts for my motion for remand and rejection of referral. I live in a rural area, and sometimes mail takes up to a week to be delivered. This is one of those times. Hence, I was not able to respond by today.

The documents, respectively, contain 4,158 words and 1,039 words. Thus, the word count for each document is well below the 8,400 word restriction in LCR7(e)(3).

I worked very hard on each of these documents. I apologize for this oversight, and I hope this explanation will allow you to consider my submissions.

DATED this June 28, 2023

Respectfully submitted,

JOHN R. WILSON
